Subject: Review of Request for Partial Bond Release, American Gilsonite, Bonanza Operations, M/047/0010, Uintah County, Utah

Dear Mr. Green:

On January 10, 2012, the Division of Oil, Gas and Mining received your request for a partial release of the reclamation for the E-30W mine site at the Bonanza Operation. During a site visit on March 16, 2012, Brett Gregory and Wayne Western determined that additional reclamation work needs to be done prior to bond release, including demolition, regrading, and revegetation, dependent upon the amount of bond release to be requested. Once this work has been completed, please re-submit your Application for Site and/or Bond Release (form MR-SITE) found on the Division's Web site at [www.ogm.utah.gov/minerals](http://www.ogm.utah.gov/minerals). Once the Division receives the re-submitted request, the site will be inspected in a timely manner.

If you have any questions or concerns regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257. In response, please reference our file number M/047/0010 regarding this project.

Sincerely,

Paul B. Baker  
Minerals Program Manager
